

# REDLINE

Sizes: 5.0, 6.0, 6.5, 7.0, 7.6, 8.2, 9.0

## PERFORMANCE TARGET:

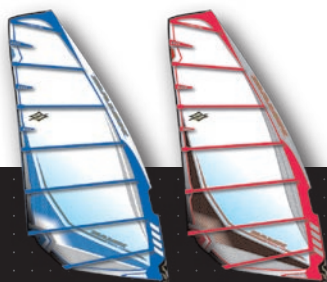

The Naish Redline delivers maximum slalom performance with a mid width sleeve. This Stealth-based design offers excellent acceleration and early planing combined outstanding speed and over-powered control in an easy to handle package

## DESIGN:

- Race sail speed
- Free ride handling
- Mid width sleeve
- New shaping puts deeper draft forward
- Sizes from 5.0 to 9.0

## CONSTRUCTION:

- X-ply panels in key areas for durability
- 7 battens, 4 tubes and 3 cams for stability
- Tack and clew for maximum strength and light weight
- Integrated chafe protection in critical areas
- Notched clew for minimum boom length
- Tack strap keeps sail rolled
- Padded tack fairing protects your board
