

# STEALTH

Sizes: TBD

## PERFORMANCE TARGET:

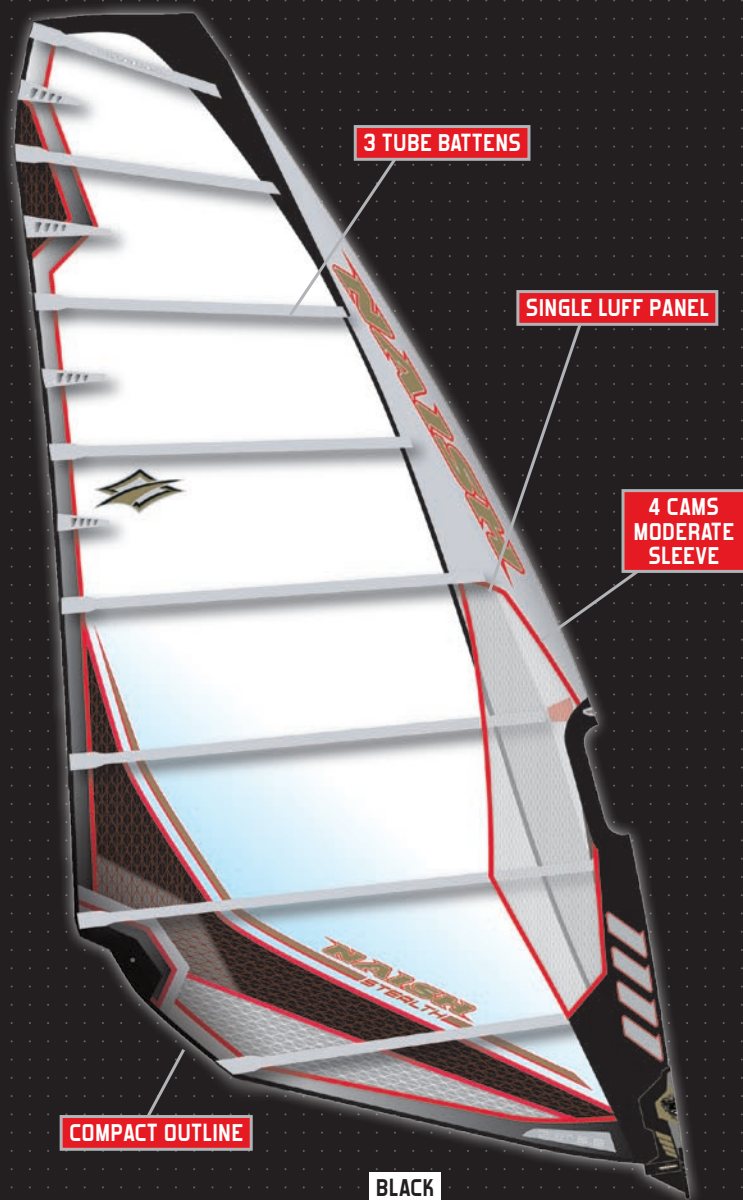

The World Speed Record holding Naish Stealth is designed for uncompromising speed and acceleration on and off the race course.

## DESIGN:

- Designed to go fast
- Twist Loc sleeve design is narrow at top, wide at bottom
- All new 3D computer shaping
- Small sizes (up to 10.0) optimized for slalom
- Large sizes optimized for Formula Racing
- Sizes from 5.0 to 11.8

## CONSTRUCTION:

- X-ply panels in key areas for durability
- 8 battens, 5 tubes and 4 cams for stability
- Tack and clew for maximum strength and light weight
- Integrated chafe protection in critical areas
- Notched clew for minimum boom length
- Tack strap keeps sail rolled
- Padded tack fairing protects your board
